

Midterm check-in

Use the checklist below to do a self-check at the midpoint of the semester. This is a good time to check in on your study habits and regroup for the back half of the term.

If most of your answers to the questions below are “Yes,” keep up the good work—you’re on the right track, and your grade likely reflects this! If many of your answers are “No” or “Sometimes,” then you know where you should consider refocusing your energy going forward. And, nearly all of these habits are applicable in other classes, too, so try doing a check-in for all of your courses!
